Re: Docket No. 2005-85-C – Application of Voicecom Telecommunications, LLC for a Certificate of Public Convenience and Necessity to Provide Resold Long Distance Telecommunications Services and for Alternative Regulation of Its Long Distance Service Offerings

Dear Ms. Boyd:

Voicecom Telecommunications, LLC ("Voicecom"), through its undersigned counsel, hereby notifies the South Carolina Public Service Commission that it has ceased providing prepaid calling cards to the public in South Carolina and that concurrently with this letter Voicecom is filing a replacement tariff reflecting same. Voicecom does not provide retail residential local exchange services in South Carolina. Therefore, Voicecom understands that it is no longer obligated to maintain a surety bond in South Carolina. Voicecom requests that the Commission update its records to reflect that Voicecom is no longer providing services in South Carolina for which it is required to maintain a surety bond.

Should you have any questions regarding the foregoing, please contact the undersigned at (770) 399-9500.

Very truly yours,

  
Jon C. Martin  
Counsel for Voicecom Telecommunication, LLC
